Before you continue

Answer from your own experience in the workshop. Skip anything you did not attend.

1 What did you find most useful?

The pagination session. Seeing a table split across pages with a repeated header answered a question we had been stuck on for weeks.

2 What should we change for next time?

No response

3 Which sessions did you attend?

- [x] **Layout basics**
- [x] **Pagination**
- [ ] Fonts and HTML export
- [ ] Templates in Blade

4 How would you rate the pace?

- ○ Too slow
- ◉ **About right**
- ○ Too fast

5 How far do you agree?

The examples matched problems I have at work.	**Strongly agree**
I could follow the material without preparation.	**Agree**
The workshop was long enough to cover the topics in depth.	**Disagree**
